## Skills

Haskell

Flutter and Dart

Designing

JavaScript

HTML, CSS

Shell scripting

Git

Python

C++

C

LaTeX

Linux

(\*)[The skill scale is from 0 (Fundamental Awareness) to 6 (Expert).]

## About Me!

- I am a second-year CS undergrad at GVPCE(A) Visakhapatnam. Having been someone who loves continuous learning, I've always wanted to explore the horizons of technology. I love to code and explore pure mathematics.

## Education

since 2019	Bachelor's of Technology Second year CS undergraduate, <i>CGPA 9.29/10</i>	GVPCE(A)
2017-2019	Intermediate Maths and Science, <i>CGPA 9.42/10</i>	Sri Chaitanya junior college
2009-2017	Schooling <i>CGPA 9.7/10</i>	Pereira English Noble School(PEN school)

## Projects

- **Blog-API:**  
An API written in Python and SQL. It's a Database for blogs
- **Mission-21:**  
A Chatbot for WTEF website using Google's DialogFlow.  
—Learnt Basics of HTML, CSS, JavaScript for bot customisations.  
—Learnt the usage of Google's DialogFlow and its advantages in making a ChatBot.  
—Learnt Integrating Third party tools like Botcopy to enable more benefits from the Bot and usage of API's.
- **Harry Potter Cloak:**  
An OpenCV project which replicates the Harry Potter's Invisible cloak.  
—I used Python's cv2 module for Background image capturing and Numpy for making it invisible.  
—Learnt some image processing details and concepts like about colors RGB, HSV.
- **Amoeba:**  
Made a simple documentation with Sphinx-Python.

## Accomplishments

*Scholar in Women Engineer(WE) program by Talent sprint and supported by Google*  
*A Core member of Technical Team in Google's DSC lead of GVP*  
Gold in Python, 30-days-of-Code HackerRank  
Certified for a guided project on Rasa Chatbot (Coursera)  
Certified by Satkarya for poster presentation at GVPCE, Vizag  
Certified with grade A for a course at Datapro in C language.

## Interests

- I design and paint animations, images at theyellowquilt.xyz as a graphic designer.
- Reading Books(Currently reading Category Theory for programmers by Bartosz Milewski)
- Writing blogs Medium Profile @b.i.n.d.o
- Volunteer for Social servicing and Certified for teaching school children, beach cleaning and some other activities by AIESEC.
